In addition to all the news, the **Thrice a Week World** furnishes the best serial section, elaborate market reports and other features of interest.

DR. HICKOK IMPROVING

ALSO VOTES FOR A QUAT "GRAB."
To perpetuate the houses of Cameron and Quay in the memory of Pennsylvania, it is proposed to erect on the Capitol grounds a "Grabburg" statue of prominent Pennsylvanians. The first one to be that of Simon Cameron, but the Elkin-Durham-Penrose combination in the legislature put the scheme to sleep on Tuesday by defeating the appropriation. It was proposed to squander \$25,000 on the project. Hon. E. S. Doty voted against this grab and Hon. Joseph T. Alsip voted for it. A statue within reason may be in place but the state's finances do not warrant the proposed prodigality.—*Sutton Herald.*
For a Lenten Gospel Campaign.
The central committee of the Twentieth Century National Gospel Campaign, with headquarters in New York city, has issued an appeal to the Christian ministers and leaders of the country for a national Lenten gospel campaign. The appeal asks that Ash Wednesday, February 20, be set aside as a special day of humiliation and prayer; that the church buildings be opened to the public each day in Lent, and the people be invited to pray for a national and universal revival of Christian religion. The committee suggests that from "the day of prayer until April 1 every minister undertake the work of personal positive evangelism among the unsaved."

We are greatly in sympathy with the general agitation respecting increased salaries for teachers of our rural schools. True, the legislature cannot dictate what salaries shall be paid to teachers, but that body may with all propriety say upon what conditions the state appropriation shall be paid. Annually we have sent to many of our best teachers, whose places must be filled by those who are inexperienced, hence in a degree incompetent. There should be more permanence to the profession of teaching and the only way to get it is to pay more money for the work.

May the seeds thus sown fall in some fertile spot and spring up and bear fruit and cause more of our people to strive to live a life of usefulness and to help and bless themselves and a shining light to those around them.
